New Discoveries about Vietnamese Paphiopedilums

We have our Orchid Society Meeting next Tuesday, January 15, 2013 at Cheekwood. Refreshments at 6:30 and program at 7 pm. (...moved to Feb)

The meeting presentation is "New Discoveries about Vietnamese Paphiopedilums". It was created by **Dr. Loenid Averyanov**, who wrote *Slipper Orchids of Vietnam* and covers Paphs pretty much throughout Southeast Asia mainland.

Rick Lockwood will be presenting and answering questions. As you all know, Rick has good experience and expertise with Paphs over the years!
